Re: RIPUC Docket 3444 - Tariff Amendment Eliminating the Last Resort Service Non-Residential Rate Floor

Dear Ms. Massaro:

Pursuant to the Commission's order in its October 17, 2002 open meeting in this proceeding, The Narragansett Electric Company (the "Company") is hereby filing one original and nine copies of Tariff No. 1165 amending the Company's Last Resort Service tariff to remove the 4.5 cents per kWh floor rate applicable to non-residential customers. In accordance with the Commission's order, the amended tariff will become effective as of November 1, 2002. Attachment 1 includes clean copies of the amended tariff and Attachment 2 includes copies marked to show changes from the original Tariff No. 1161.

Thank you for your attention to this matter. Please do not hesitate to contact me if you have any questions regarding this filing.

Very truly yours,

Terry L. Schwennesen
General Counsel
